## Sand for Seniors Program

The Sand for Seniors Program is a cooperative effort between the Hampshire County Triad, the Hatfield Council on Aging, and the Hatfield Police Department.

The Program is meant for seniors who may have trouble getting it on their own or seniors who may be home bound. The goal is to increase winter safety for seniors with mobility issues.

The sand comes from the Hatfield DPW and the buckets are donated.

**Members of the Hampshire County Triad and the Hatfield Police Department fill the buckets and deliver them directly to those in need at no cost**

*"To Protect and Serve"*

If you or someone you know would benefit from this program, please contact either the Hatfield Council on Aging at (413) 247-9003 or the Hatfield Police Department at (413) 247-0323

Please make your requests by December 1, 2018 so that deliveries can be scheduled at **No Cost to Seniors.**
